I have a HUGE empty space underneath my signature and I can't get things to go back to normal.

Sometimes it's normal: <https://mlpforums.com/topic/201206-your-night-to-shine/?do=findComment&comment=6180545>

Other times it looks like this: <https://mlpforums.com/topic/92228-what-are-you-thinking/?do=findComment&comment=6180442>

Thank You so much for taking the time to read this. 🙏
